

SESSION 16

PLANNING EXIT BEFORE TRADING

THAYAA SHREE. S

Exit Planning Sheet

Observation	Exit Planning Sheet Finding
Asset	ETHUSD
Timeframe	1 hr
Current Trade	Long
Price near support/resistance	Near support
RSI Value	55.17
RSI Observation	Approaching bullish momentum
Candlestick	Bullish candle near resistance
Final Decision	Plan Exit
Reason: price has approached a resistance level , RSI indicates strong buying momentum nearing overbought , and the latest bearish candlestick suggests possible weakening – multiple observations support planning an exit
